Student Portfolio

[Home](#) [About](#) [Skills](#) [Contact](#)

Hello, I'm Yash

Welcome to my student portfolio website. I am learning web development and enjoy creating simple projects. This website showcases my personal details, skills, and a contact form. I like experimenting with new technology and improving my skills.

Student Portfolio

[Home](#) [About](#) [Skills](#) [Contact](#)

About Me

- My name is Yash.
- I am a first-year CSE (AI) student.
- I enjoy learning programming and building simple projects.
- I like creating websites using HTML and CSS.
- I explore IoT using ESP devices and small circuits.
- My goal is to improve my skills and work on real-world projects.

Student Portfolio

[Home](#) [About](#) [Skills](#) [Contact](#)

My Skills & Projects

Web Development

Basic HTML & CSS projects like this portfolio.

- Using Float.
- Using Flexbox.
- Making Navigation Bar.
- Making Forms.

IoT Projects

Made small projects using ESP8266 and sensors.

- I have made Traffic Light control system with Arduino Uno.
- I have made Adjustable fan speed with ESP8266.

Programming

Practice C and Python for problem solving.

- I have Learned Python in class 12th. I know only basic how python works and how to make codes
- I have learned C lang. in this year of the college.
